

Who is Nick Gain?

A **unique** blend of Classic Rock and Modern Electronic music!

Coming from a rock background. He played in the **Eurovision Song Contest** when he was 18, being the first ever punk-rock act in the festival. Back then he toured different countries with his band "Anonymous" and got into the Spanish **top40s** charts.

Nick **Composes**, **Produces** and **Mixes** his own music and has a "Professional Music Production Certificate" and a "Masters in Music Business and Technology" granted by **Berklee College of Music**.

He decided to get into Electronic Dance Music when he was living in Barcelona to find a personal sound/**identity** to express his **visions**: Nick Gain is the result.

"**Born in the 80's**" is Nick's first auto-produced EP. Five energetic songs which have received collaboration and help by **top producers**: Micky Forteza (Jarabe de Palo), Mike Marsh (Depeche Mode, Oasis, Prodigy, Chemical Brothers...) & Hal Ritson (The Young Punx, Black Eyed peas, David Guetta...).
